OTHER RELEVANT MATTERS:

No depositions may be scheduled to occur after the discovery cutoff date. All written discovery that requires a response must be filed sufficiently in advance of the discovery cutoff date to enable opposing counsel to respond by the time permitted by the Rules prior to that date.

Motions to compel discovery are to be filed and served by the discovery deadline or within 30 days of the default or the service of the response, answer, or objection which is the subject of the motion, if the default occurs within 30 days of the discovery deadline, unless the time for filing of such motion is extended for good cause shown, or the objection to the default, response, answer, or objection shall be waived.

This case is set for a nonjury trial, and the trial is expected to last 3 to 4 days. The pretrial order date, pretrial conference date, and trial date will be set by the presiding Judge. The parties suggest that an appropriate trial date would be during April or May, 2006.

This case is not appropriate for ADR.

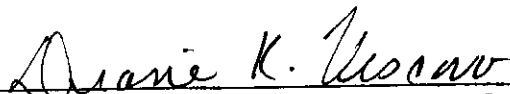

The parties are reminded that pursuant to Local Rule 11(a)(1)(A), all motions, except motions pursuant to Fed. R. Civ. P. 12, 56, 59, and 60, shall be accompanied by a proposed order.

The opposing party may file a response to any motion filed in this matter. Neither party may file an additional reply, however, without leave of the Court. If a party believes that a reply is necessary, it shall file a motion for leave to file a reply accompanied by a memorandum setting for the reasons for which a reply is required.

The parties have not consented to trial before the Magistrate Judge.

This Order has been entered after a consultation with trial counsel pursuant to notice. Absent good cause shown, the scheduling dates set by this Order will not be modified or extended.

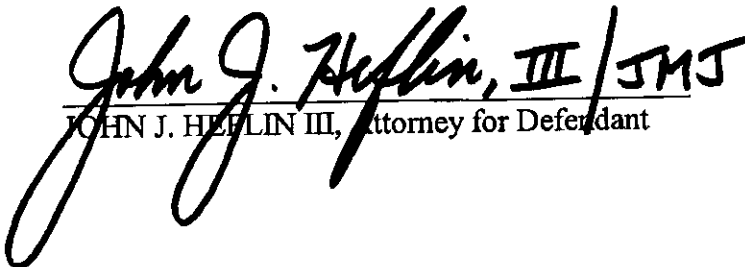

IT IS SO ORDERED.
